1. Effective February 21, 2025, the University is subject to the requirements of the Michigan Earned Sick Time Act.
2. Article S-31 of the Agreement provides that a bargaining unit member may use paid sick leave days to attend to members of the employee’s immediate family who are ill or injured as defined in Article S-31. Under Article S-31, the definition of “immediate family” is the same as that used in the FML guidelines found at <https://www.cmich.edu/about/human-resources/employment-services/leaves-of-absence-staff/types-of-leaves/family-and-medical-leave>.
3. The FML guidelines cited in the Agreement defines “immediate family” as spouse, other eligible individual, parent, son or daughter, next of kin of a covered service member, and covered service member.

  - c. For meetings at a child’s school or place of care related to the child’s health or disability, or the effects of domestic violence or sexual assault on the child; or
  - d. For closure of the employee’s place of business by order of a public official due to a public health emergency; for an employee’s need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency; or when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee’s or employee’s family member’s presence in the community would jeopardize the health of others because of the employee’s or family member’s exposure to a communicable disease whether or not the employee or family member has actually contracted the communicable disease.
5. The Act defines “immediate family” to include:
  - a. Biological, adopted or foster child, stepchild or legal ward, a child of a domestic partner, or a child to whom the employee stands in loco parentis;
  - b. Biological parent, foster parent, stepparent, or adoptive parent or a legal guardian of an employee or an employee’s spouse or domestic partner or a person who stood in loco parentis when the employee was a minor child;

- g. Any other individual related by blood;
  - h. An individual whose close association with the employee is the equivalent of a family relationship, including those designated as an Other Eligible Individual under CMU's policies.
  - i. "Domestic partner" means an adult in a committed relationship with another adult, including both same-sex and different-sex relationships; and
  - j. "Committed relationship" means one in which the employee and another individual share responsibility for a significant measure of each other's common welfare, such as any relationship between individuals of the same or different sex that is granted legal recognition by a state, political subdivision, or the District of Columbia as a marriage or analogous relationship, including, but not limited to, a civil union.
6. For purposes of complying with the Michigan Earned Sick Time Act, the Parties agree that so long as the Michigan Earned Sick Time Act is in effect, the description of the purposes for which an employee may use paid sick leave in Article S-31 shall incorporate by reference the description of allowable purposes set forth in the Act and described above in Paragraph 4. Further, the definition of "immediate family" in Article S-31 shall incorporate by reference the definition of "immediate family" as set forth in the Michigan Earned Sick Time Act, and as described above in Paragraph 5.
7. The first 72 hours of sick/medical leave time a bargaining unit member utilizes in a calendar year (for the employee and/or employee's immediate family member) will be considered time taken pursuant to and as allowed by the Michigan Earned Sick Time Act and satisfies the University's obligations thereunder.
8. All other terms and conditions for the use of sick time not addressed in Article S-31 are expressed in CMU's Michigan Earned Sick Time Act (ESTA) policy.
